

Create your own spec sample! This file can be used to create "cut and paste" mock-ups for your order. Simply print this page, remembering to print at 100% to ensure templates are actual size.

Use this template to develop artwork for your order! Simply download the template file and open in Adobe Illustrator (version 7.0 or later) to format your artwork. Or print the template and hand draw your artwork for us to prepare (costs may apply)

Artwork Standards

In order to give you the highest quality imprint, we have developed some artwork guidelines, which include minimum line weights. All copy should be 6 points or larger. Lines should be no thinner than .5 pt. We will redraw halftones and screens, filling them in or outlining them, and reset copy when necessary. PromoBasics reserves the right to modify your art if it does not meet these quality standards.

Shown 100% of actual size (Use if you are using a computer)

Barrel Shown 200% of actual size (Use if you are Hand drawing)
