

**Create your own specs sample!** This file can be used to create "cut and Paste" mock-ups for your order. Simply print this page, remembering to print at 100% to ensure templates are actual size.

**Use this template to develop artwork for your order!** Simply download the template file and open in Adobe Illustrator to format your artwork. Or print the template and hand draw your artwork for us to prepare.(costs may apply)

**Artwork Standards** In order to you the highest quality printnig we have developed some artwork guidelines, which include minimum line weights. All copy should be 8points or larger. Stress shape don't print evenly, so large reversed out areas do not work well. We recommend simple line or text be used for best effect.

**PromoBasics** reserves the right to modify your art if it does not meet these standards.

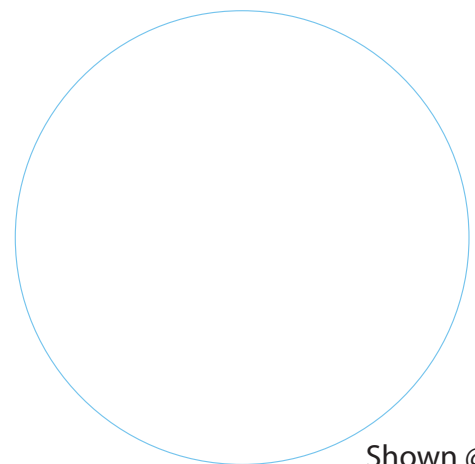

Artwork Confirmation will be sent to you before any production starts.
